

About the Conference

The 3rd International Conference on Algorithms in Advanced Artificial Intelligence (ICAAAI-2025) provides a global platform for researchers, academicians, and industry professionals to exchange knowledge and showcase innovations in Artificial Intelligence, Machine Learning, Data Science, and emerging computing technologies. Building on the success of its previous editions, the conference emphasizes both theoretical advances and real-world applications across interdisciplinary domains.

About the College

Sagi Rama Krishnam Raju Engineering College (SRKR), established in 1980, is one of Andhra Pradesh's first self-financing engineering institutions, dedicated to empowering rural students through technical education. With its 30-acre green campus, the college offers state-of-the-art facilities that foster an inclusive and culturally responsive learning environment. Over the years, SRKR has built a strong ethos of creativity, confidence, and logical thinking in its students, preparing them for nation-building and diverse careers. The college's vision, inspired by its founder Sri Sagi Rama Krishnam Raju, continues under the leadership of Sri S. Prasada Raju, ensuring academic excellence. SRKR combines science, creativity, and critical thinking to address societal challenges, making it a hub for innovation and problem-solving. With 44 years of academic excellence, SRKR offers 12 B.Tech., 6 M.Tech., and 10 Ph.D. programs, alongside a B.B.A. program. Accredited with an 'A+' Grade by NAAC and multiple NBA accredited B.Tech. programs, the institution is recognized by AICTE and UGC for its outstanding contributions to education and research. SRKR's initiatives include the AICTE IDEA Lab, emphasizing entrepreneurship, innovation, and skill development. Its 14 Centres of Excellence further drive research culture, solving societal challenges through research and development.

About the Department of CSE

The Department of Computer Science & Engineering (CSE) at Sagi Rama Krishnam Raju Engineering College, established in 1991, has grown into a leading hub for teaching, research, and industry collaboration. The department offers B.Tech programmes in CSE, Artificial Intelligence & Machine Learning, Computer Science & Design, and CSE (IoT & Cyber Security including Block Chain Technology), along with M.Tech in Computer Science & Technology and a Ph.D. programme. It also pioneers a Minor Degree in Quantum Technologies, aligned with India's National Quantum Mission. With a team of highly qualified faculty, the department is recognized as a Research Centre under JNTU Kakinada. Graduates are consistently placed in top multinational companies and product-based firms across domains such as software development, data science, cybersecurity, AI/ML, and cloud computing. The department has also hosted three international conferences and actively promotes innovation through hackathons, design sprints, and professional society activities.

Chief Patrons

Sri S. Prasada Raju, President
Sri P. Krishnam Raju, Honorary Chairman
Sri G. Rama Raju, Vice-President-1
Sri S. Vital Ranga Raju, Vice-President-2
Sri S.R.K. Nishanth Varma, Secretary cum Correspond
Dr. K. S. Vijaya Narasimha Raju, Member, Governing Body
Sri S. Satya Pratik Varma, Member, Governing Body

Patrons

Prof. M. Jagapathi Raju, Director
Prof. K. V. Murali Krishnam Raju, Principal

General Chair

Prof. Bh. V.S. Rama Krishnam Raju, Professor & HoD of CSE

Convener

Dr. R.N.V. Jagan Mohan, Associate Professor, CSE.

Co-Convener

Dr. G.N.V.G. Sirisha, Assoc. Professor, CSE, Programme Coordinator of B.Tech. AI&ML.

Advisory Committee

DATO' Prof. Dr. Shamala K. Subramaniam, UPM, Malaysia.
Dr. Antonino Galletta, Professor, University of Messina, Italy.
Dr. Diego Oliva, Assoc. Professor, Universidad de Guadalajara, Mexico.
Dr. Judhi Prasetyo, IIT, Patna.
Dr. R.B.V. Subrahmanyam, Professor in CSE, NIT, Warangal.
Dr. Manju Khari, Professor in CSE, JNU, Delhi.
Dr. M.H.M. Krishna Prasad, Professor in CSE, JNTUK.
Dr. L.Sumalatha, Professor in CSE, JNTUK.
Dr. A.S.N. Chakravarty, Professor in CSE, JNTUK.
Dr. A. Krishna Mohan, Professor in CSE, JNTUK.

Technical Program Committee

Dr. Hazlina Binti Hamdan, Head of AI Research Group, UPM, Malaysia.
Dr. Ozen Ozer, Professor, Korkkaleli University, Turkey.
Dr. Ben Othman Soufiane, Prince Laboratory Research, University of Sousse, Tunisia.
Dr. Tien Anh Tran, Asst. Professor, Vietnam Maritime university, Vietnam.
Dr. Sumitra Srinivas K, MiddleSex University, Dubai.
Dr. Praneetha Sree, Assistant. Professor, NIT-Raipur.
Dr. K. Himabindu, Assistant Professor & Head in CSE, NIT-AP.
Dr. Nagesh Bhattu Sristy, Assistant Professor, NIT-AP.
Dr. P. S. V. S. Sai Prasad, Professor, University of Hyderabad.
Dr. N.S.S Ushadevi, Assistant Professor, CSE, JNTU, Kakinada.
Dr. Chandra Sekhar Voruganti, Lead Computer Vision Engineer.

Call for Papers

Authors are invited to submit high-quality, original, and unpublished research contributions in, but not limited to, the following areas:

- Explainable AI, Responsible AI, Generative AI, Cover AI, Conversational AI, Quantum AI
- Machine Learning and Deep Learning
- AI in Data Science and Big Data Analytics
- Computer Vision and Image Processing
- Software Quality, Reliability, and Optimization
- IoT, Edge Computing, Cyber-Physical Systems, Digital Twin Applications
- Security and Privacy in AI, Blockchain Technologies
- Cloud Computing, Distributed and Federated Learning
- Natural Language Processing and Privacy-Preserving ML
- Other emerging AI applications

Author Guidelines

Manuscripts must be prepared using the official Conference Paper Template. Papers should not exceed 6 pages; up to 2 additional pages may be included with a fee of INR 1000 per page. Submissions must be original and not under review elsewhere. The similarity index must be below 12%, and manuscripts containing machine-generated content will not be considered. At least one author of each accepted paper must register and present at the conference. A duly signed Copyright Form is mandatory for publication. Certificates of presentation will be issued to all registered paper presenters.

Paper Submission

Papers must be submitted electronically in PDF format via the submission link provided on the conference website/brochure. All manuscripts will undergo a double-blind peer-review process.

Submission Guideline: To maintain quality and balance, the number of authors per research paper should be limited to 3–4.
